

*TO WHOM IT MAY CONCERN*

To circulating rumours concerning the current situation of JAWA Divišov its Board of Directors wishes to inform of the following:

Despite unfavourable economic climate the Company is still producing complete speedway/longtrack/grasstrack/ice racing motorcycles as well as all the necessary spare parts and components. The Company is also providing services to its various customers home and abroad.

There is no doubt that there are certain people wishing the Company its sudden end and thus expand unsubstantiated rumours of problems the Company is undoubtedly facing, however overcoming.

We are pleased to inform of having increasing number of orders from our loyal customers to ship them tens of new motorcycles as soon as possible.

Evžen Erban  
Chairman of the Board of Directors
